Consultation on the approval of the Hague Convention - Statement by SwissHoldings

Dear Federal Councillor
Dear Ladies and Gentlemen

Thank you for the opportunity to comment on the above-mentioned bill.

SwissHoldings welcomes the approval of the Convention. Within its scope of application, it creates legal certainty and ensures that decisions of agreed state courts are treated in the same way as those of arbitral tribunals. We are in favor of Switzerland not making any reservations or declarations to the Convention. Otherwise, these would again restrict the intended legal certainty.

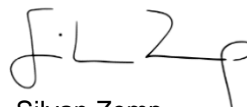

Thank you for your consideration of our concerns. Please do not hesitate to contact us if you have any questions regarding our comments.

Kind regards

SwissHoldings
